**Subject:** Redrafting by the original Working Committee as a Proposed NSCID #7 Proposed 1/6 of 30 October 1947, "Domestic Exploitation"

**Enclosures:** **a.** List of Representatives of the Member Agencies on the Original Working Committee  
**b.** Redraft of the 30 October 1947 Proposed Directive

The Interdepartmental Ad Hoc Committee which has been redrafting the National Security Council Intelligence Directives and Director of Central Intelligence Directives, considers that the proposed Director of Central Intelligence Directive 1/6, "Domestic Exploitation", of 30 October 1947, should be rewritten in the form of a National Security Council Directive. It was decided that this cannot be done until further consideration is given to the matter by the original working committee which prepared the earlier drafts of the paper.

Because of the necessity of submitting the final draft of this proposed directive to the Executive Secretary of the National Security Council as soon as possible, it is suggested that a meeting of the original working committee be held on Monday, 12 December, at 6:00 p.m. in the YCAB Conference Room, No. 7117, North Interior Building. The representatives concerned of the respective departments on the working committee are listed in the enclosure.
